# **Challenge Winner**

**Malaria Prevention  
through Innovations  
in Home Design**

**Jayesh Vani**

for his solution  
*Malaria-Mosquito  
Free Homes*

**Together we've identified common sense, low-cost solutions to high-impact issues. My favorite part is that these solutions can be implemented beyond Habitat as well, potentially impacting thousands more families.**

—HARRY SANGREE, FOUNDER

**Terwilliger Center for  
Innovation in Shelter**

**We are always looking for  
innovative ways to facilitate  
affordable upgrades to  
existing homes.**

**Crowd-sourcing has helped  
us identify a diverse range  
of solutions from around  
the world.**

—SCOTT MERRILL, SENIOR DIRECTOR

**Using the collective know-how of the InnoCentive crowd is a powerful way to find solutions to challenges of such magnitude.**

—SIMON HILL, CEO
