

## Profile of Dornean Radu

1. **What is your current occupation?**
  - Researcher
2. **What is your educational background?**
  - Engineer
3. **How did you learn of the challenge?**
  - On the Wazoku site
4. **What motivated you to respond to the challenge? Why did you want to help the IRC improve the facilities in their camps?**
  - I thought it was interesting and useful for the people in the camps
5. **Approximately how much time did you invest in creating your response to the challenge? (this does not need to be a precise answer – you can state your answer in hours or days or weeks. It is simply to get a feel for the level of effort necessary to win).**
  - About 1 week
6. **How did you feel when you found out that you were a winner?**
  - I do not know what to say. I did a work. I'm glad it's appreciated.
